

2-475-005

- VIS vee blocks are made of chrome steel, hardened and ground. Hardness 60 HRC.
- Matched and numbered in pairs.
- Accurate enough to be used in layouts and surface plate work.
- Sturdy enough to be used in machining operation.
- 2-475-015 and 2-475-020 models are designed so the clamps do not protrude over the sides; thus the tool can be used on its sides.
- 90 degree vee's are ground central, parallel and square with the ends.
- Packing – cardboard boxes.
